SMART BODY SCALE

Smart Body Analysis Scale with Bioimpedance Technology

- ✓ High-precision sensors
- ✓ High-resistance glass
- ✓ Smart bioelectrical impedance analysis technology
- ✓ LED display

What are the measurements calculated by the Smart Body Scale?

 Skeletal Muscle	 Body Weight	 Body Fat (%)	 Muscle Control	 Visceral Fat	 Water Control (%)
 Body Type	 Body Goal	 Muscle Mass	 BMI	 Weight Control	 Ideal Weight
 Basal Metabolic Rate	 Bone Mass	 Body Fat Control (Kg)	 Lean Mass	 Body Age	 Protein Control (%)

SMART Lebel Needle 32G/4mm

Comfort and efficiency! High technology and precision with Smart's ultra-thin needles.

- ✓ Versatility of applications
- ✓ Precision and comfort
- ✓ Ideal size for delicate procedures

ANVISA REGISTRATION – 81382050008

Indicated for:

Mesotherapy

Botulinum
Toxin

Mesobotox

Skinbooster

SMART Microcannulas

Ideal for filler and bioplasty applications with greater performance and safety in your procedures.

Perfect glide through tissue

Features centimeter markings

Semi-flexible with a rounded tip

Includes puncture needle

Indicated for:

Facial and body harmonization

Application of biostimulators

Exit port marking

BOOK DR. LANCE SETTERFIELD

The Concise Guide to
Dermal Microneedling

Discover the science behind the results.

The seminal work by South African physician Lance Setterfield has already been translated into Spanish – and now into Portuguese!

SMART Fixed Chair

Its fixed structure offers stability and features a high-density foam surface that ensures patient comfort during treatments.

Removable
head cushion

Paper roll
holder

Ideal for:

- ✓ Aesthetic clinics
- ✓ Massage
- ✓ Beauty salons
- ✓ SPA

Can be adjusted at various angles and heights to provide maximum comfort for the patient. In addition, it features a padded surface coated with waterproof material, ensuring easy cleaning and maintenance.

**Durable,
comfortable,
and ergonomic!**

SMART Hydraulic Chair

It has a design that allows full 360 rotation and includes a hydraulic pump for height adjustment.
